B. PLANNING & CONSTRUCTION

1. On July 16, 1928 the Board of Trustees approved the plans and related documents prepared by Joseph N. Bradford and authorized the solicitation of bids by contractors.

2. Bids were received on September 18, 1928 (T).

3. On September 21, 1928 the Board of Trustees approved Cabinet action awarding contracts to the following contractors:

General: George W. Timmons

Plumbing: H. J. LaPlante Co.

4. The electrical and heating portions of the work were done by University employees.

5. Completion and occupancy:

5. 1 The University Architect advised the Secretary of the Board of Trustees by letter on February 11, 1929 that the building was completed, and it was formally accepted by the Board on that date.

5.2 Cabinet minutes of December 27, 1928 refer to the building as "now under construction." It would seem appropriate therefore to say that the building was completed in early 1929.

See Addendum No. 2

C. COST

1. The Board on July 16, 1928 appropriated \$14,000 for the project.

2. As of June 30, 1929 the building was listed at \$15,583.50 (B). It was still so listed until 1965-66 at which time it was written off as demolished. However, the building is still in existence and used in 1974.
